Terms

I accept the Terms

- Be sure to provide accurate and up-to-date information, as this will be used to configure your account.
- Initial Interest Field. Select the transaction(s) submitter is interested in submitting with PNT Data.
- Make sure to select VA FSC Claims 837 and/or VA FSC Remits 835.
- If you'd like to select more than one option hit "CTRL" and click more than one option.
- Read Terms and then check box "I accept the Terms."

• **Next Steps**

- Once the Terms are accepted, an automated email will be sent to the email address provided in the enrollment form.
- Wait for a Call from PNT Data.
- A member of the customer support team will review your intake information and call you to establish a connection.
- Our Customer Support Team will answer any questions you have and assist you with the enrollment process.

• **Testing**

- PNT will configure each trading partner and provider's account, ensuring that all required information is entered correctly and that each account is properly configured.
- PNT will perform initial testing to ensure that claims are being transmitted and received correctly and that all data is accurate.

• **Start Submitting Claims**

- Once your account has been configured, you can start submitting claims through PNT Data.

Be sure to follow the guidelines provided by PNT Data to ensure that claims are transmitted and received correctly.
